

Attic Vent-Guard™

Radiant barrier aluminum attic baffles

Aluminum or White Foil baffles for maintaining attic vent air flow

- Heavy duty baffle
- Low E-value surface provides additional insulation value
- Compact design allows for easy storage & handling
- Flanged edges for easy installation
- Available in custom sizes to fit your application

Description: Superior Attic Vent-Guard is comprised of aluminum foil laminated to **both sides** of heavy **kraft paper** and flanged on two sides for ease of installation.

Uses: Use Superior Vent-Guard whenever a secure air space is needed for attic eave vents. Works well in conjunction with both batt and blow applications.

Technical Data:	Basis Weight/MSF:	<u>50 lbs.</u>	Scale
	Emissivity:	.03*	TRW
	Flame Spread:	5	ASTM E-84
	Smoke Developed:	5	ASTM E-84

*aluminum finished product
