

HackerOne Requirements To Become H1Clear or ID Verified

To become ID Verified

To be part of the ID Verified community, you need to:

1. have created an account on the H1 platform and agreed to Community Members terms and conditions;
2. have submitted at least one valid report; and
3. agree to a further set of terms called the [HackerOne Rules of Engagement](#).
(These terms build on our regular hacker terms and have enhanced confidentiality terms and additional expectations around professional conduct).

To become H1 Clear

To be a part of the H1 Clear community, you need to be a member of the HackerOne community that produces high-quality findings, acts responsibly, and behaves professionally per our [Code of Conduct](#). You'll specifically be invited to complete the onboarding process to become Clear once you meet all of the following requirements:

- Be ID verified, have exemplary platform performance and professionalism - agree to our [HackerOne Rules of Engagement](#)
- Be from a country that permits background checks
- Be 18 or older
- Meet a minimum platform performance standards of:
 - Lifetime Signal: 4
 - Lifetime Impact: 15
 - Lifetime Bounty: \$15,000.

The current list of countries that do not permit a criminal background check are: Afghanistan, Djibouti, French Polynesia, Guernsey, Hong Kong, Iran, Isle of Man, Israel, Jersey, Kosovo, Lao People's Democratic Republic, Macao, Mayotte, Sierra Leone, and Syrian Arab Republic.
